Poverty Alleviation Foundation

ABOUT PALMER AND MOORE POVERTY ALLEVIATION FOUNDATION

Rc: 7257545

Founded in 2023 with a strong dedication to elevate the underprivileged and disenfranchised segments of society. Palmer and Moore is a renowned non-governmental organization with its headquarters located in Abuja, Nigeria. Our purpose is driven by the values of action, empathy and compassion, which direct us to positively influence both spiritual and physical emancipation.

Main Aims:

Physical liberation: we are committed to helping those struggling financially by launching programs that provide them access to basic needs, knowledge and training. Our initiatives set the stage for long-term development and empowerment.

Spiritual Liberation:

Understanding the importance of spiritual health, we provide faith based programs, therapy, and mentorship to assist people in overcoming emotional and spiritual obstacles, promoting inner healing and rekindling hope.

Palmer and Moore make a significant effort to build robust and resilient communities. We enable people to help one another by holding seminars, support groups and community-building events providing cohesion and direction.

Palmer and Moore Poverty Alleviation foundation

Mission Statement

To empower marginalized communities to break the cycle of poverty through sustainable solutions, education and economic opportunities.

Vision Statement

A vision where everyone has access to basic necessities, economic opportunities, and social services free from shackles of poverty.

About us

Palmer and Moore Poverty Alleviation Foundation is a non-profit organization educated to reducing poverty and improving the lives of marginalized communities. Our foundation was established in [2023] by [Founders' Name], who shared a vision of creating a more equitable society.

Our Focus Areas

1. Education, Providing access to quality education, vocational training and service programs.
2. Economic Empowerment supporting entrepreneurship, job creation and financial inclusive initiatives.
- 3. Health and Wellness:**
Improving access to healthcare, sanitation, and hygiene facilities.
- 4. Communities Development:**
Community institutions, promoting social cohesion and supporting infrastructure development.

Our Approach

1. Community-led: we work closely with local communities chiefs to identify their needs and develop tailored solutions.
2. Partnerships: we collaborate with governments, NGO, businesses, and individuals to leverage resources and expertise.
3. Sustainability: we prioritize sustainable solutions that promote long-term economic growth and social impact.
4. Mentorship and evaluation: we regularly assess our programs to ensure effectiveness and impact.

Political strength

Palmer and Moore Poverty Alleviation Foundation is massive in politics. We have two million, eight hundred and fifty registered members(2,000,850). All over 36 states of the federation including FCT.

Our achievements
